### CHANGE OF MT4 PASSWORD

Please change my MT4 password to: \_\_\_\_\_

**Note:** If you are able to login into your MT4 trading account you can change the password by going to the Tools tab in the MT4 Platform and then clicking on Options. You will be able to reset your password there.

### CHANGE OF LEVERAGE

Please change the leverage on my account to:

1:

**Note:** Please note that Trading Point offers flexible leverage. On the Micro, Mini and Standard accounts the maximum leverage is 1:500; on the Executive account the maximum leverage is 1:100.

### CHANGE OF ACCOUNT TYPE

Please change my account type to:  Micro  Mini  Standard  Executive

**Note:** Please note that the account type you have (Micro, Mini, Standard or Executive) depends on the balance of your Trading Account. Typically you will be notified by your TradingPoint Account Manager before any changes are made to your account type.

### CHANGE OF BASE CURRENCY

Please change the base currency on my account to:  USD  EUR  GBP  JPY  CHF

**Note:** Please be advised that the base currency of your Trading Account can only be changed if you have not traded on your account yet. If you have already traded, you will need to open a new account. You can then request to transfer the balance from your old account to your new account.
